

## **Charlestown Ambulance Service**

Charlestown Ambulance is actively recruiting new members to join our service. Emergency medicine is a challenging, yet rewarding field where we can help our neighbors in their time of need. Are you up for a challenge? Do you want to give back to your community? If you are a currently licensed EMT or have interest in becoming one please contact us at [charlestownambulance@me.com](mailto:charlestownambulance@me.com) or call 826-3686. You need to only be 18 years of age to apply for full service, but we are interested in mentoring young adults who have an interest in pursuing a career in emergency medicine.
