DISTRICT COMMISSION

Sue Richardson was not able to attend this meeting. All other members were present.

Feb minutes were approved with the correction listed below:

Our reading teams for the essay contest were: Grade 6 – Sue R and Joanne, Grade 7 – Sue C and Jim, and Grade 8 – Wes and Joanne .

Please note our new committee name, as the result of the warrant article on the last ballot, that was approved 2 to 1 by the voters! We are now the Charlestown Heritage and Historical District Commission.

Art Grenier will now be our representative from the town.

Wes spoke with Keith Weed about the stones for the bench in front of the library. He will remove the grass and put down gravel before placing the stone. No timetable given.

Joyce will write a letter to the minister and board of trustees of the Charlestown Congregational Church to ask if we may place a town bench at the front of the paddock.

There is a group of people in town who would like the town to purchase the piece of land where the old Jiffy Mart is and put a bandstand there. There may be interest in placing a warrant on the next town ballot. This committee has decided to see what develops before doing anything.

Duncan Spillsbury, who is doing his Eagle Scout project, mapping the old graves at Forest Hills Cemetery, meet with Vicky Sargent and she was very impressed with his work so far.

Joyce and Joanne will be going to Concord on April 25th to meet with Mary Kate Ryan of NHDHR regarding how to implement the new historic district.
