Minutes for July meeting were approved

Treasurer’s report approved and check request signed

Bench project – Wes reports that the State of NH has given permission for a bench to be placed on the south end of Main St in the triangle area. The tree committee will be asked to move the bush as it obstructs the view and could pose a danger. Carol Clark has approved a bench for in front of The Sumner House. The Unitarian Church bench will wait until after the sidewalk is completed in that area.

We discussed expanding the green space from in front of Claremont Savings to Dollar General to improve the streetscape of that part of Main Street.

Duncan is moving forward with the cemetery project.

We have decided to wait until after the public information meeting to discuss projects for the future.

Photos of National Historic District houses are taken. Prints and CD’s will be made and the photos will be labeled to match the map.

Dwayne Wetherby has expressed an interest in joining the committee! He will need to be sworn in at the Town Clerk’s Office. Welcome Wayne!!
