To All Area Residents & Businesses:

The Town of Charlestown anticipates a record voter turnout for the General Election on Tuesday November 4, 2008. In an effort to minimize traffic congestion, maximize pedestrian safety and provide for a smooth flow of the expected heavy traffic around the polling place at the Municipal Building on Election Day, the Charlestown Selectboard has ordered that traffic on DEPOT and RAILROAD STREETS be restricted to ONE WAY ONLY from 7:30 AM to 8:30 PM on TUESDAY NOVEMBER 4.

The map below illustrates the traffic pattern that will be enforced by the Charlestown Police Department on Election Day. Your cooperation in conveying this information to your customers, employees and vendors will be greatly appreciated.
