

Serving the Area of Sullivan County New Hampshire

Area Transit Guide

What are Mobility Managers?

Mobility managers are people that help with an innovative approach for managing and delivering coordinated transportation services to customers, including older adults, people with disabilities, and individuals with lower incomes.

Mobility managers focus on meeting individual customer needs through a wide range of transportation options and service providers. They also focus on coordinating services and providers to achieve a more efficient transportation service delivery system.

Please feel free to reach out with your transportation needs.

Candy Reed, Region 4 Mobility Manager

About This Flyer

There are a variety of transportation possibilities in Sullivan County and surrounding areas. To name a few: buses, the train, rideshare programs, and volunteer programs. This flyer outlines contact information to guide you according to your needs.

Do you have an electric vehicle and need a charging station? We have information for that as well!
